## *What people are saying about our candle ...*

Thank You for a great memorial. I lost my beautiful cat to cancer two weeks ago, and the candle is the one thing that gives me comfort. I've bought about ten books to help me grieve, and none of them are as therapeutic and comforting as this candle. I light it and allow myself the time to sit and reflect (and yes, cry!) and remember my precious Bella. Thank You for making such a beautiful product. Linda

Thanks so much for your help. I would also like to thank you for the service you provide. I lost my first pet, a dog of 12 years, in late May. I cherish my candle and hold it very dear to my heart. Even though the pain will always be intense and deep, the candle is a strong healing aid. Thanks for what you and your company do. Sincerely and with thanks, Laura

I received a candle when I lost one of my cats in 1995 and I light that on his anniversary every year. Somehow or other, it makes me feel better. Virginia

This is such a great gift - it will mean so much to a grieving friend. Andrea

The candles are a wonderful idea. Thanks for the comfort. Penny

Thank you so much for helping me out. I (sadly) received one of your candles a couple months ago after losing my best friend, Casper, of 15 years. It helped me so much. I hope this will help my sister as much as it helped me. Of course, we never want to HAVE to use your services, but am thankful that you are there. I think your idea is a wonderful thing, and want to thank you for doing this. Thanks again, Eileen

I have to tell you, when I lost my cat, it was very comforting to know that Furry Angel validated the difficulty of losing a pet! It can be very difficult for other people to understand. Kim

Many years ago a friend sent me this candle and I never forgot how special it was. Brenda

I just wanted to let you know what a terrific item the candle is. My friends gave one to me when my most precious darling kitty had to leave me this August. It gives me a wonderful feeling to light the candle. I light it often and place it next to my favorite picture of him; he is looking right at me and it almost feels like he is still here.

One of my friends just lost her dog and I lit my kitty's candle in his honor. Now I am about to place an order for a special candle just for him.

Thank you for your kind words and support. ... Once again, I truly appreciate the outstanding personal service you've provided for my grieving heart. Karen

Received my candles yesterday and wanted to thank you. They are perfect (had a good cry). Am sending two of them out today to friends who have lost their angels recently. Hope they help them to heal. I'm hoping to purchase some for my husband's veterinary practice to give to special clients who lose their furry friends. Thanks so much for making these available. Janice

Thank you so much. I have found these candles to be such a source of comfort for me in the loss of my own furry angels and for the friends I have sent them to. Laura H.
